

Project Compassion Fundraiser

Project Compassion is a very special fundraising event that our school supports during the time of Lent. One way that we are raising money this year is through a fun activity session. In week 11 April 11th we invite all students to bring a gold coin donation to attend five of the fun activities throughout the afternoon. If you wish to attend more than five activities it will cost you another gold coin. Some of the activities will include; obstacle course, hair and nails, disco, soccer shootout, basketball competition, mini games and more. This will be a great way to have a fun afternoon together whilst helping those who are less fortunate than us .

WEAR: Casual Sun-safe Clothes & enclosed shoes

WHEN: Thursday 11th of April, Week 11 2024

WHY: To raise money for Project Compassion and raise awareness of social justice issues .

From The Mission Leaders
